

Vio™ Nasal Mask

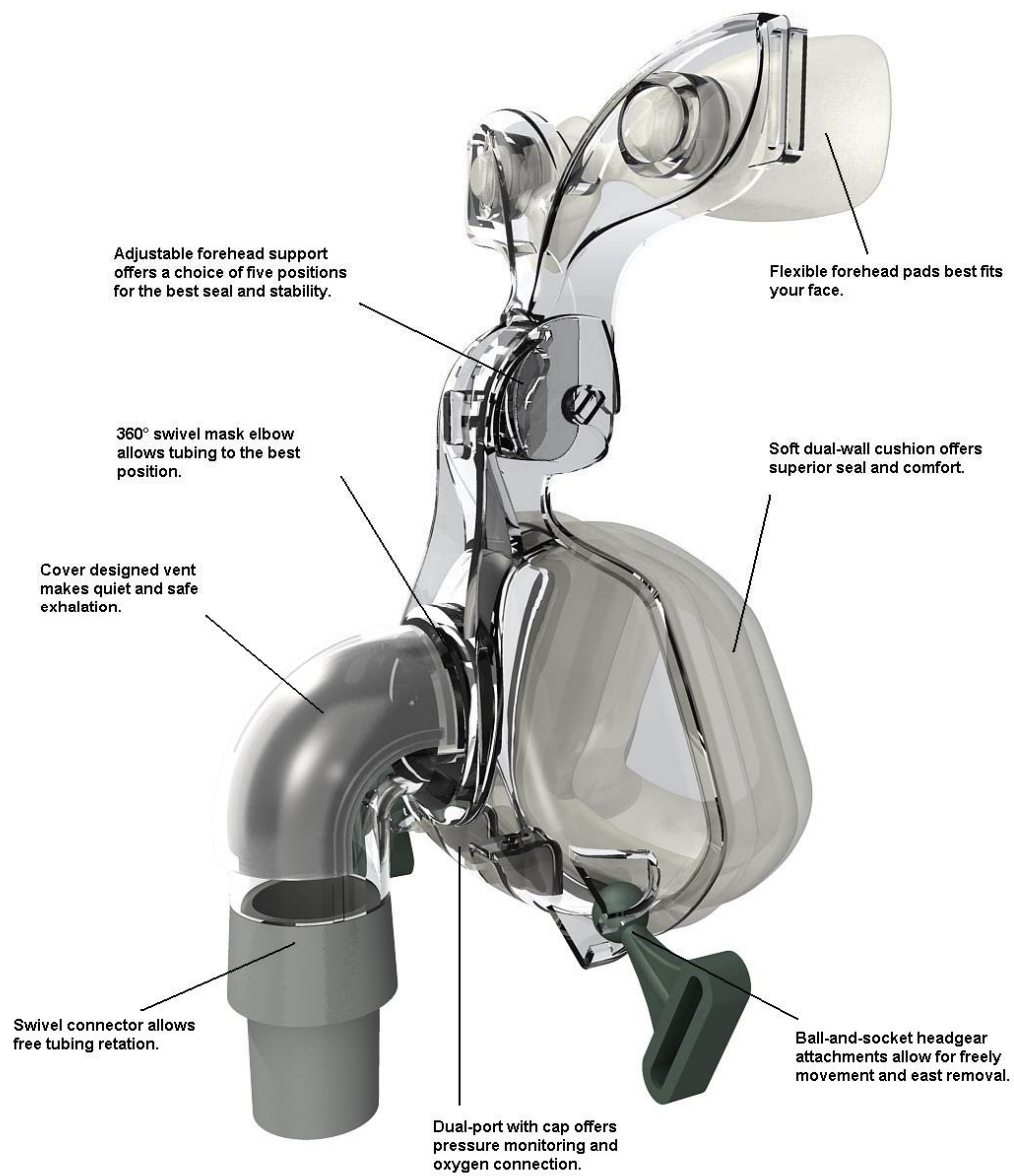

With its new adjustable forehead support and dual-wall cushion, the **Vio™** Nasal Mask delivers the kind of secure, personalized fit that your patients demand. Its ball-and-socket headgear attachments design and 360° swivel mask elbow help deliver a comfortable fit and guard against mask leaks. It's one more example of how the **Vio™** Nasal Mask helps fit 100% of your patients 100% of the time.
